### Health Care Coverage

**1 million more uninsured**

The Senate bill (BCRA) would increase the number of uninsured people under age 65 in Michigan by 1 million by 2022.

### Hospital Finances

Under the AHCA (House bill), Michigan hospitals would face a 134% increase in uncompensated care (treatments and services not paid for by an insurer or patient) and 2.1 percentage point reduction in annual operating margins by 2026. Rural hospitals would face a 99% increase in uncompensated care and 1.5 percentage point reduction in operating margins.

### State Revenue

**$22.6 billion in federal funding potentially lost**

Michigan could face Medicaid spending cuts of between $3.9 billion and $22.6 billion between 2020-2026 under the AHCA and BCRA.

### Jobs

The BCRA would lead to about 86,200 fewer Michigan jobs by 2026.

### Opioid Treatment

**Lives at risk**

An estimated 4 lives were saved in Michigan from opioid overdose in 2016 due to Medicaid-covered naloxone.
