

# How Would Proposals to Replace the Affordable Care Act Affect Your State?

## NEW YORK

Projected impact of American Health Care Act (AHCA) and Better Care Reconciliation Act (BCRA)

### Health Care Coverage

1.3 million  
more uninsured

The Senate bill (BCRA) would increase the number of uninsured people under age 65 in New York by 1.3 million by 2022.

### Hospital Finances

Under the AHCA (House bill), New York hospitals would face a 39% increase in uncompensated care (treatments and services not paid for by an insurer or patient) and 1.5 percentage point reduction in annual operating margins by 2026. Rural hospitals would face a 48% increase in uncompensated care and 1.1 percentage point reduction in operating margins.

### State Revenue

\$73 billion in federal  
funding potentially  
lost

New York could face Medicaid spending cuts of between \$9.4 billion and \$73 billion between 2020-2026 under the AHCA and BCRA.
