COMPLETING A LETTER OF INQUIRY (LOI)

- Before applying, review the Commonwealth Fund’s [Applicant Resources](#), [FAQs](#), and [Programs](#).
- To view a sample LOI form, [click here](#).
- To begin an LOI click on the **Funding Opportunities** button on the homepage.
- At the LOI stage, the Commonwealth Fund does not require a full budget or other supporting documents, aside from the detailed project description. The length of the project description should be no more than 3 pages of a Word document (approximately 2,500 words) with 12-point font.
- Be sure to **Save** before closing your application, and you will be able to resume editing when you return to the application—the system does ***not*** auto-save.
- If you save your LOI before submitting it, you will find it under the **Applications** section of the portal. Go to Active Applications and click on View/Edit to continue working on an in-progress application.
- Once you click **Submit** you will not be able to edit your application, so please ensure that the information provided is complete and accurate before you submit it.
- Commonwealth Fund program staff will review and decide whether to request a full proposal. Applicants typically receive a response to their LOI within one month, and often sooner.
