* To get a national estimate of the impact of these policies, current law assumes no automatic enrollment policies in California and Rhode Island. ** The District of Columbia Health Care Alliance is available to those with an income up to 200% FPL, so these policies affect only those with a higher income. *** Comprehensive Essential Plan coverage is available to New Yorkers with an income up to 250% FPL without premiums, so these policies affect only those with a higher income.

Notes: PTCs = premium tax credits. CHIP = Children's Health Insurance Program. FPL = federal poverty level.
