Eliminating Racial and Ethnic Disparities in Health Care: A New Chartbook

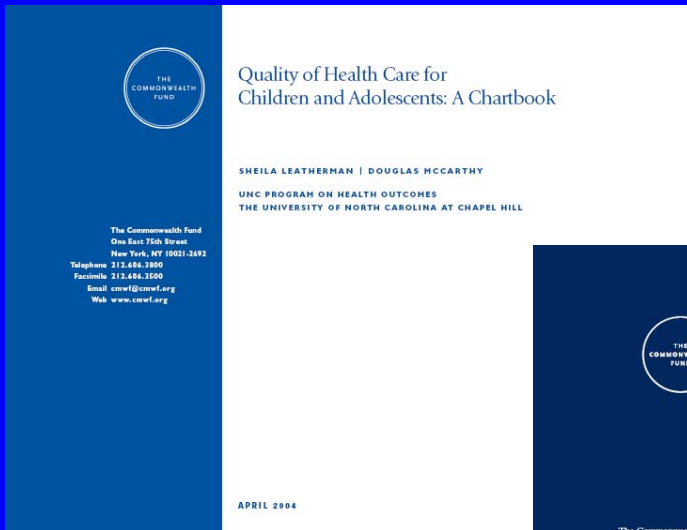

**Anne C. Beal
Susan Hernandez**

**A Commonwealth Fund Webinar
March 24, 2008**

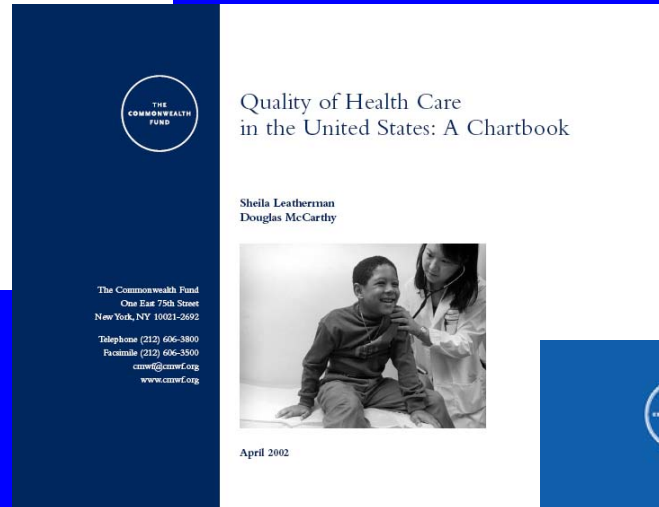

The Minority Health Chartbook

- Pull together published data to provide an overview of disparities in the quality of care.
- Focus on solutions; the more you improve quality the more you can reduce disparities
- Easily understood information that can be downloaded and used for your own work in addressing disparities.
