CONSUMERISM IN HEALTH CARE SURVEY

Screening Questions
Thank you for agreeing to participate in our survey about Health Care and the Consumer! This is strictly for research purposes, and all responses will be kept confidential.

First, we would like to ask you some questions for classification purposes so that we may customize the survey for you.

D1. Are you…?

Male ........................................................................................................................................1
Female ......................................................................................................................................2

S1. What is your age?

Under 18 [TERMINATE] ........................................................................................................1
18-20 [TERMINATE] ............................................................................................................2
21-24 .....................................................................................................................................3
25-29 .....................................................................................................................................4
30-34 .....................................................................................................................................5
35-39 .....................................................................................................................................6
40-44 .....................................................................................................................................7
45-49 .....................................................................................................................................8
50-54 .....................................................................................................................................9
55-59 ....................................................................................................................................10
60-64 ....................................................................................................................................11
65 or older [TERMINATE] ................................................................................................12

D6a. How many children under the age of 18 do you have at least some financial responsibility for?

_____ _____ children [ACCEPT 0-12]

D6b. How many adults, age 18 or over, are in your household?

_____ _____ adults [ACCEPT 1-12]

S2. Are you currently covered by health insurance?

Yes ........................................................................................................................................1
No [TERMINATE] .................................................................................................................2
S3. **[IF COVERED BY HEALTH INSURANCE (S2=1), ASK:]** Which of the following describes how you obtain your health insurance coverage?

- I am enrolled through my job (current or former) ...................................1
- I am enrolled through my spouse’s/partner’s job (current or former) .....2
- I am enrolled through my parent’s health plan .................................3
- I purchase it directly from a health insurance carrier ............................4
- I am enrolled in Medicare or a Medicaid plan ...................................5
- I am enrolled through the US military or a plan for veterans ...............6
- Other (specify) ____________________________________________________7

[TERMINATE IF NOT 21-64 YEARS OLD (S1=1,2,12); IF NOT COVERED BY HEALTH INSURANCE (S2=2); OR IF COVERED BY GOVERNMENT OR PARENT’S PLAN (S3=3,5,6)]

S4. Who in your household is covered by your health plan?

- Only you ................................................................................................1
- You and your spouse/partner ...............................................................2
- You and one or more children .........................................................3
- You, your spouse/partner, and one or more children ......................4
- Other (specify) __________________________________________________5

S5. Does your health plan have a deductible for medical care? **[INCLUDE DEFINITION-A deductible is the amount you have to pay before your insurance plan will start paying any part of your medical bills.]**

- Yes ........................................................................................................1
- Yes, but only when I go out of network [SKIP TO S9a] .....................2
- No [SKIP TO S9a] ................................................................................3
- Don’t know [SKIP TO S9a] .................................................................4

S6a. **[IF HAVE FAMILY COVERAGE (S4=2,3,4), ASK:]** What is the amount of your family deductible for medical care? (If there is a separate deductible for prescription drugs, hospitalization, or out-of-network care, do not include those deductible amounts here.)

- Have a separate deductible for each family member ..........................10
- Less than $500 [TERMINATE FOR OVERSAMPLE] .........................1
- $500-$999 [TERMINATE FOR OVERSAMPLE] .................................2
- $1,000-$1,499 [TERMINATE FOR OVERSAMPLE] .........................3
- $1,500-$1,999 [TERMINATE FOR OVERSAMPLE] .........................4
- $2,000-$2,999 ...................................................................................5
- $3,000-$3,999 ...................................................................................6
- $4,000-$4,999 ...................................................................................7
- $5,000 or more ..................................................................................8
- Don’t know .......................................................................................9
S6aa. [IF S6a=5] Is your family deductible less than $2,200 or is it $2,200 to $2,999?

<table>
<thead>
<tr>
<th>Amount</th>
<th>Code</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than $2,200</td>
<td>1</td>
</tr>
<tr>
<td>$2,200-$2,999</td>

</tbody>
</table>
S8. In some health plans, services like annual physicals, doctor visits, immunizations, and preventive care tests, (such as mammograms or screenings for colon cancer), may require a co-pay but would not be subject to the deductible. In other plans, the deductible applies to all medical care. [If you have a separate deductible for prescription drugs, please focus only on your deductible for medical care].

In your plan, does the deductible apply to all medical care?

Yes........................................................................................................1  
No .........................................................................................................2  
Other (specify) ___________________________________________ 3  
Don’t know ............................................................................................4  

S9A. Does your health plan include any coverage for prescription drugs?

Yes........................................................................................................1  
No .........................................................................................................2  
Don’t know ............................................................................................3  

S9B. [IF HAVE PRESCRIPTION DRUG COVERAGE (S9A = 1), ASK:] Do you have a separate deductible for prescription drugs?

Yes........................................................................................................1  
No .........................................................................................................2  
Don’t know ............................................................................................3  

In recent years, several forms of health care savings accounts have become available. The next set of questions deals with these accounts.

S10a. Do you currently have a Flexible Spending Account for health expenses? [INCLUDE DEFINITION- Accounts offered by some employers to allow employees to set aside pre-tax dollars of their own money for their use throughout the year to reimburse themselves for their out-of-pocket expenses for health care. For this type of account, any money remaining in the account at the end of the year, or in some cases after March 15th, is lost to the employee. A similar type of account is sometimes available for child care expenses as well.]

Yes........................................................................................................1  
No .........................................................................................................2  
Other (describe) _________________________________________..3  
Don’t know ............................................................................................4
S11. In the last 5-6 years, a new type of health coverage has become available that is sometimes called Consumer Directed Health Care or Consumer Driven Health Care. This new type of coverage has two components: 1) a special type of savings account that the individual uses to pay health expenses, and 2) health insurance with a high deductible.

How familiar, if at all, are you with this new type of plan?

Extremely familiar …………………………………………………………………………………1
Very familiar ………………………………………………………………………………………2
Somewhat familiar …………………………………………………………………………………3
Not very familiar ……………………………………………………………………………………4
Not at all familiar ……………………………………………………………………………………5
Don’t know ……………………………………………………………………………………………6

[IF DEDUCTIBLE IS $2,000 OR HIGHER FOR FAMILY (S6a=5-8 OR S6b=2) OR $1,000 OR HIGHER FOR INDIVIDUAL (S7a=5-9 OR S7b=2), CONTINUE. ELSE SKIP TO S13.]

S12a. Do you have a special account or fund you can use to pay for medical expenses? The accounts are sometimes referred to as Health Savings Accounts (HSAs), Health Reimbursement Accounts (HRAs), Personal care accounts, Personal medical funds, or Choice funds. These accounts are different from Flexible Spending Accounts.

Yes ………………………………………………………………………………………………………1
No [SKIP TO S13] ………………………………………………………………………………………2
Don’t know [SKIP TO S13] ………………………………………………………………………………3

S12b. Are you allowed to roll over unspent money in this account for your use in the following year?

Yes ………………………………………………………………………………………………………1
No …………………………………………………………………………………………………………2
Other (describe) ………………………………………………………………………………………3
Don’t know ………………………………………………………………………………………………4

S12c. Can you carry your account with you if you leave your job?

Yes ………………………………………………………………………………………………………1
No …………………………………………………………………………………………………………2
Don’t know ………………………………………………………………………………………………3

S13. [AUTOCODE]
CDHP (S12B=1,3,4) ………………………………………………………………………………………1
HDHP (S12A=2,3 OR S12B=2) ………………………………………………………………………………2
Other …………………………………………………………………………………………………………3
A1. Please rate your satisfaction with each of the following aspects of your health care. [ROTATE ORDER a-d]

A7. [deleted]

To determine which questions would be applicable for you, please answer the following.

D5. What is your current marital status?

Married ................................................................. 1
Not married, living with a partner ............................... 2
Divorced or separated ................................................. 3
Widowed ................................................................. 4
Single, never married ............................................... 5

J1. What is your current job status?

Employed full time .................................................. 1
Employed part time .................................................. 2
Not employed, looking for work ................................. 3
Homemaker ......................................................... 4
Retired ............................................................... 5
Other (specify) ..................................................... 6

[IF EMPLOYED FULL OR PART TIME (J1=1-2), CONTINUE. ELSE SKIP TO HP1.]
J2a. [IF (J1=1,2) AND (S3=2,4), ASK:] Does your employer offer health insurance to ANY employees?

Yes.................................................................1
No .................................................................2
Don’t know ......................................................3

J2b. [IF (J2A=1), ASK:] Are you eligible for a health plan offered by your employer?

Yes.................................................................1
No .................................................................2
Don’t know ......................................................3

Your Health Plan

HP1. [IF COVERED THROUGH AN EMPLOYER (S3=1,2), ASK:] Are you offered a choice of health plans? Please include all employment-based plans for which you are eligible, whether through your job or your spouse’s job.

Yes, have choice of plans ..............................1
No, only one plan available ...........................2
Don’t know ......................................................3

HP1A. [NEW] [IF (HP1=1), ASK:] You said that you were offered a choice of health plans from your or your spouse’s employer. How many different health plans did you have to choose from? Please include all employment-based plans for which you are eligible, whether through your job or your spouse’s job.

One, have no choice of plans ........................1
Two .................................................................2
Three .............................................................3
Four or more ..................................................4
Don’t know ......................................................5

[HP1C deleted]

HP1B1. [IF (S3=1,2), ASK:] Does the employer that provides you health insurance, either your employer or your spouse’s employer, tell you how much they are contributing to the cost of your health insurance coverage?

Yes.................................................................1
No .................................................................2
Don’t know ......................................................3
HP1B2. [IF (S3=1,2), ASK]: Are you aware that the money your or your spouse’s employer contributes to the cost of your health insurance is not included in your taxable income?

Yes........................................................................................................1
No .........................................................................................................2
Don’t know ............................................................................................3

HP2. [IF HAVE CHOICE OF PLANS THROUGH EMPLOYER HP1=1 or PURCHASES DIRECTLY S3=4, ASK:] What are your two or three main reasons for deciding to enroll in your current health plan? (Check up to 3 responses.)

Lower cost of the premium.................................................................1
Low out of pocket costs when I see the doctor.................................2
Good network of physicians and hospitals-your doctor was
   in the network .....................................................................................3
Prior experience with this plan .........................................................4
Plan’s good reputation, recommended by others .........................5
Familiar type of coverage, simple to understand..........................6
Easy to access care ..........................................................................7
Opportunity to save money in the account, rollover funds for
   future years ..................................................................................8
Puts you in control of your health care dollars, you make
   choices of how your account is spent ..............................................9
Not much paperwork ........................................................................10
Specific benefits offered by the plan ................................................11
Tax benefits of the plan ....................................................................12
Other (specify) ....................................................................................13

HP3. How long have you been covered by your current health plan?

Less than one year.............................................................................1
1-2 years ............................................................................................2
3-4 years ............................................................................................3
5-9 years ............................................................................................4
10 years or more ..............................................................................5
Don’t know ..........................................................................................6

HP3a. [IF HP3 = 1,2] Just before you were covered by your current plan, did you have health insurance coverage?

Yes........................................................................................................1
No .........................................................................................................2
Don’t know ............................................................................................3
HP5a. [IF HAVE INDIVIDUAL COVERAGE THROUGH EMPLOYER (S3=1,2 AND S4=1,5),
ASK:] How much do you pay each month in premiums for your health
insurance plan? (Record your answer under “Other” if your health
insurance payments are made weekly, semi-monthly or bi-weekly.)

Nothing, employer pays all.................................................................1
Less than $20 per month..................................................................2
$20-$49 per month...........................................................................3
$50-$99 per month..........................................................................4
$100-$199 per month.................................................................5
$200-$299 per month.......................................................................6
$300 or more per month...............................................................7
Other (How much do you pay for your health insurance plan?  
$____________ per week □ twice a month □ every 2 weeks)........8
Don’t know .....................................................................................9

HP5b. [IF HAVE FAMILY COVERAGE THROUGH EMPLOYER (S3=1,2 AND S4=2,3,4),
ASK:] How much do you pay each month in premiums for your health
insurance plan? (Record your answer under “Other” if your health
insurance payments are made weekly, semi-monthly or bi-weekly.)

Nothing, employer pays all.................................................................1
Less than $100 per month................................................................2
$100-$199 per month..................................................................3
$200-$299 per month...................................................................4
$300-$399 per month.................................................................5
$400-$499 per month....................................................................6
$500 or more per month............................................................7
Other (How much do you pay for your health insurance plan?  
$____________ per week □ twice a month □ every 2 weeks)........8
